<input type="checkbox"/> Allergies	<input type="checkbox"/> Neck / Back injuries	

Conditions

Details:	Numbness: when I wake in the morning, on my left arm.
----------	---

Reason of Appointment

I have been feeling that numbness and I would like to investigate it because it has been happening for a couple weeks and it was n't like that before.The weirdest part is that I was n't involved in any kind of accident.Okay, all set.We will attend you on time at 3 PM.
